

# Improving Competitiveness Via Utilization of Free Trade Agreements

Do you want to save on customs duty to reduce your landed cost? Do you know that Thailand has various Free Trade Agreements that provide lower duty rates for eligible products, which may include yours? Or are you already utilizing the Free Trade Agreement privilege, but having problems with customs and origin compliance?

## What are the Free Trade Agreements that Thailand currently have?

|                             |                |
|-----------------------------|----------------|
| ASEAN                       | Thailand-Japan |
| ASEAN-China                 | ASEAN-Japan    |
| Thailand-Australia          | ASEAN-Korea    |
| Thailand-New Zealand        | Thailand-India |
| ASEAN-Australia-New Zealand | ASEAN-India    |

## How PwC Can Help

- Conduct a feasibility study to determine whether your products would be eligible for duty privilege under the Free Trade Agreement (s) of interest and quantify potential duty savings
- Advise on implementation strategies (including transaction structuring, documentation, customs formalities)
- Assist in preparation for Customs audit of your compliance in Free Trade Agreement utilization
